About Us

Kelowna Auto Rentals (KAR) began with a single vision: to provide exceptional car rental experiences in Kelowna. Starting with one Tesla listed on Turo, our journey quickly accelerated. With a commitment to quality and customer satisfaction, we expanded our fleet to include a Mercedes, a Corvette, a rugged Bronco, and a powerful Raptor F-150.

Today, KAR serves not only Kelowna but also the vibrant city of Vancouver, offering premium vehicles for every need—whether it's luxury, adventure, or practicality. At KAR, we make your journey unforgettable, one ride at a time.
